Mynydd Llest y Graig Wind Farm

Welcome

This is the first e -newsletter for our Mynydd Llest y Graig wind farm proposal in Powys, Mid Wales.

Find out all the latest project news and information!

More information can also be found on our project website:
www.vattenfall.co.uk/MynyddLlestyGraig

What do you know about energy?

What do you know about energy?

What are the important issues for energy in the UK?

What does the future look like?

Discussion Packs

During our work with communities and stakeholders, we get asked a lot of questions about energy. Not just about specific projects, but about different energy technologies, about our country's energy needs and the challenges ahead.

With this in mind, we've prepared a series of packs about energy which are now available.

We'd really like to hear from you! We'll be using the feedback from you to help shape our work in the future, so that the information we provide to you is both interesting and useful.

Click [here](#) to get involved!

We look forward to hearing from you!

Project Update

While we await the outcome of the Mid Wales Conjoined Inquiry, we are reviewing the results of our initial survey work and liaising with statutory bodies to fully understand possible areas of environmental sensitivity.

Once we know how many wind farm projects have been consented in the area, we will have a better understanding of cumulative impact and will be able to produce an initial wind farm layout for consultation.

Details of the consultation will be advertised in advance through project newsletters and the local press.

We want to keep as many people informed as possible as the project progresses. Please encourage others to [sign up on the website](#) to receive future issues of the e-newsletter.

Surgery

We've been holding monthly surgeries this Spring to make sure the local community can stay in touch with the project team and ask any questions.

We were in Llanfair Caereinion in March and Llanbryn-mair in April and **we'll be in Llanerfyl Hall from 5pm to 7pm on Tuesday, 19 May 2015.**

Please feel free to drop in for a chat.

You are receiving this newsletter as you have registered your interest in Mynydd Lluest y Graig Wind Farm. To unsubscribe [click here](#).
