COMISIYNYDD
HEDDLU A THROSEDDU
DYFED-POWYS
POLICE AND CRIME
COMMISSIONER

Welcome

... to your regular update on my work. This edition highlights how I'm keeping your communities safe.

My news ranges from funding for new road safety schemes to a plea on the issue of hate crime.

I hope my decision to freeze your Council Tax police precept will help too. It means you'll pay the same in 2016-17 as you did in 2015-16 – and 5% less in real terms than 2012-13.

Remember, there's an election for the next PCC on May 5 – don't forget to vote!

Warm regards,

Christopher Salmon

Life Savers

I'm funding four new schemes to reduce the number of people killed or seriously injured on our roads.

Your Safety

I've launched round four of a funding scheme which improves the lives of the people across our region.

Three will improve the behaviour and attitudes of younger road users, the other will focus on older motorists.

I want this programme to protect all road users; too many people die or are badly hurt on our roads.

The Commissioner's Fund offers grants of up to £5,000 for ideas that have a positive impact on their area.

The community projects could, for example, educate, protect or support vulnerable groups.

Cutting Crime & Easing the Pain

I am cutting crime and easing the effects on those it harms. In recent weeks I've:

- Revealed that my innovative new Help Hub supported almost 3,400 crime victims in its first nine months. [More](#)
- Asked around 800 business leaders about what they need to stay free from crime. Survey results out soon. [More](#)
- Shown that many hate incidents go unreported. If you suffer hate crime please report it! [More](#)

Make Your Community Safer! Volunteer to check that **police cells** are up to scratch & **police dogs** are well cared for.

Your Voice

Recent Your Voice Day topics raised by the public include domestic abuse, complaints against the police and keeping young people away from crime.

There were discussions on antisocial behaviour, the change to a 24-hour police air service, police visibility and online crime.

Since January 2014 I've held around 30 Your Voice Days; they've generated a great deal of public opinion which I've then discussed with the Chief Constable.
